

WEDNESDAY 10 DECEMBER 2025
FACULTY OF HUMANITIES AND SOCIAL SCIENCES

<p>Congregation 1 (9.30am)</p>	<p>SCHOOL OF MANAGEMENT (I)</p> <ul style="list-style-type: none"> Accounting and Finance Accounting and Finance with a Year Abroad Accounting and Finance with a Year in Industry Advanced Health and Care Management Advanced Health and Care Management (Innovation and Transformation) Advanced Health and Care Management (Value-Based) Advanced Management (Applied Innovation) Applied Business Management Business Administration Business Management Business Management (Business Analytics) Business Management (Finance) Business Management (Marketing) Business Management (Marketing) with a Year Abroad Finance Finance and Big Data Analytics Financial Analytics Financial Technology (FinTech) Global Business Management (Top-Up) Human Resource Management International Accounting and Finance International Banking and Finance International Business International Finance Investment Management Strategic Accounting Strategic Marketing Sustainable Finance
<p>Congregation 2 (11.30am)</p>	<p>SCHOOL OF MANAGEMENT (II):</p> <ul style="list-style-type: none"> Management Management (Artificial Intelligence) Management (Business Analytics) Management (Digital Business) Management (Enterprise and Innovation) Management (Finance) Management (Human Resource Management) Management (International Management) Management (Marketing) Management (Media) Management (Operations and Supply Management) Management (Sport) Management (Sustainable Business)

Congregation 3 (2.15pm)	<p>THE SCHOOL OF AEROSPACE, CIVIL, ELECTRICAL, GENERAL AND MECHANICAL ENGINEERING:</p> <p>Advanced Manufacturing Engineering Aeronautical and Manufacturing Engineering Aerospace Engineering Aerospace Engineering with a Year in Industry Civil Engineering Civil Engineering with a Year in Industry Computational Engineering with Industry Computational Mechanics Electronic and Electrical Engineering Electronic and Electrical Engineering with Industry Engineering (Aerospace) Engineering Leadership and Management Engineering, Ph.D. in collaboration with Wuhan University Mechanical Engineering Mechanical Engineering with a Year in Industry Mechanical Engineering with Industry Power Engineering and Sustainable Energy Space Engineering Structural Engineering Structural Engineering with Industry Sustainable Aviation Virtual Reality Virtual Reality with Industry</p>
Congregation 4 (4.15pm)	<p>SCHOOL OF BIOSCIENCES, GEOGRAPHY AND PHYSICS</p> <p>Biological Sciences Biology Biology with a Year in Industry Biosciences Environmental Biology: Conservation and Resource Management Environmental Drone Remote Sensing Environmental Dynamics Environmental Dynamics and Climate Change Environmental Science and the Climate Emergency Geographic Information and Climate Change Geography Global Biodiversity and Conservation Human Geography Marine Biology Physics Physics – Distance Learning – CERN Physics with Particle Physics and Cosmology Society, Environment and Global Change Theoretical Physics Zoology</p>

	SCHOOL OF ENGINEERING AND APPLIED SCIENCES
--	---

Advanced Sport Performance Science

Biomedical Engineering

Chemical Engineering

Chemical Engineering with a Year in Industry

Chemistry

Energy Innovation

Materials Engineering

Materials Science and Engineering

Materials Science and Engineering with a Year in Industry

Materials, Modelling and Manufacturing

Medical Engineering

Medical Engineering with a Year in Industry

Sport and Exercise Science

Sport Psychology

Tissue Engineering and Regenerative Medicine
